Do you have (0) **some** close friends? I think everybody has at least one close friend in his life. And so do I. I has two close friends: Linh and Chi. We are in the same class at the primary factory and the secondary school. We are also neighbor so we spend most of their time studying and playing together. Chi is a beauty girl with big black eyes and an oval rosy face. She is an intelligent student and always studies the better in my class. She also likes read. Linh isn't as beautiful as Chi and she has a lovely smile and looks very healthy. Linh is very sporty. She spends most of her free time playing sports. Linh is a volleyball star on our school team. She is very sociable and has a good sense of humorous. Her jokes always make us laugh. I love both of my friends and I always hope our friendly will never die.

Last week I went with my elder brother to visit our National Library. We came there early in the morning and the library was crowded with school children. It was a Saturday morning. Before our country became free, it was known as "Raffles Library". It is said to be one of the modern libraries in Asia.

The library is situated in Stamford Road beside our National Museum. There are hundred thousands of books in the library including valuable reference books, for university students. Almost all secondary school students are members of the library and they are allowed to borrow four books at a time.
