Video gaming is a very popular form of entertainment in the world. Both girls and boys play video games regularly, mostly for fun. There are also new ways to make a living out of video games, from making their own games, broadcasting live online, to playing professionally in packed stadiums.

Alex Balfanz is an 18-year-old student. Every day he has lectures or seminars, and assignments to do at home. Like many students of his age, he spends a couple of hours per day on video games. But he's not just playing them – he's making them, and making a lot of money, too. "In the 10 months that Jailbreak has been released, it has already produced seven figure profits," Balfanz says. Today, it has been played for the billionth time.
